

RFP2016-02 Surveillance Systems

Store Site Visits

Site visits are not a mandatory requirement of the RFP process. Site visits are to provide Vendors the ability to review the typical layouts of a store including placement of cameras for shelving, aisles, entry ways and lanes. The NHLC team will walk through each store below and its layout. Questions will not be answered during the site visits, but Vendors should take notes and ask questions at the Vendor Conference. Vendors will be required to sign in at each store. All times are approximate.

Site Visit 1: NH State Liquor Store #10

http://www.liquorandwineoutlets.com/stores/store_hours/10
